

ECA WEBMINAR “RESPONSES TO COVID-19 PANDEMIC SITUATION FROM ECA AGENCIES”

Support to HEIs in their adaptation to emergency remote teaching and learning. SPAIN and ACSUCYL

Sandra Marcos Ortega.

Agencia para la Calidad del Sistema Universitario de Castilla y León

**COMMUNIQUEÉS FROM THE
EDUCATIONAL AUTHORITIES
(Ministry of Universities,
Rectors Conference...)**

**AGREEMENT OF THE SPANISH NETWORK OF
QUALITY ASSURANCE AGENCIES (REACU) IN THE
SITUATION OF EXCEPCION CAUSED BY COVID-19.**

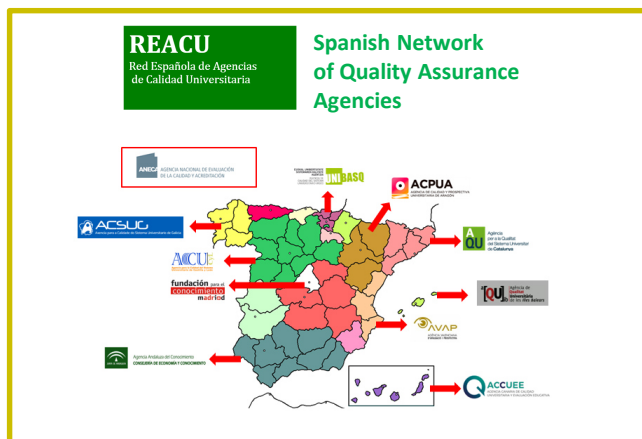

AIM: To establish together with universities and the National Ministry a **common framework**, to develop the **activities in a different way**, according to European quality standards that allows to **guarantee the achivement of the LO**.

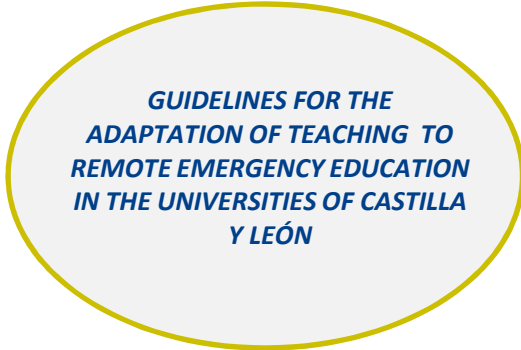

Recommendations on general criteria for adapting the Spanish university system to the Covid-19 pandemic, during the year course 2019-2020

AGREEMENT OF THE SPANISH NETWORK OF QUALITY ASSURANCE AGENCIES (REACU) IN THE SITUATION OF EXCEPCION CAUSED BY COVID-19

- It must bear in mind the **limitations of resources of the institutions**, dimensioned for face to face training. Limitations that some **students** have to access **technological and communication** resources.
- **Transparency**. To communicate students well in advanced about changes in the teaching methods and evaluation systems.
- **Evaluation systems**: continuos or final evaluation. Should demonstrate the achievement of the LO.
- **Internships and experimental activities**: to guarantee the achivement of LO in a similar way as it was planned.

**Universities of
 Castilla y León**

- **Involvement of all academic community**
- **Coordination**
- **Guarantee teaching to students:**
 synchronous classes by virtual means;
 recording classes...
- **Evaluation systems:** achievement LO,
 platform, avoid fraud
- **Teaching methods**
- **Internships:** achievement LO
- **IQAS**

GUIDELINES FOR THE ADAPTATION OF TEACHING TO REMOTE EMERGENCY EDUCATION IN THE UNIVERSITIES OF CASTILLA Y LEÓN.

MAIN DIFFICULTIES FOR UNIVERSITIES

- **Teaching staff.** Difficulties to use the platforms and to change the teaching methods.
- **Problems of connectivity of students and the availability of computer.**
- **Robustness and reliability of the platform** to carry out on-line evaluations and online teaching.
- **Public - Private universities.**
